SUPPLEMENT

1. The Tsingtao Soviet Association claims that the Chinese municipal authorities "persecute" the Soviet colony in Tsingtao. The claim is based primarily on:
 - a. several recent instances of orders by the Alien Property Administration to Soviets to vacate houses rented from the APA.
 - b. increasingly zealous search of Soviet homes by Chinese police.
2. Soviet Consul-General Kurdikov and Vice-Consul Dorofiev of Tientsin plan a trip to Tsingtao in April for investigation of these complaints, in addition to routine inspection and issuance of passports.
